Mr. C. D. Narayana Rao, Chamrajnagar.

Q. 95. Is the President or the Vice-President aware of the change in the timings in the Nanjangud-Chamrajnagar Railway Line since 1st April 1928?

A. Yes.

Q. 96. Has it come to your notice that this change in timings and the reduction of three trains to two have caused much inconvenience to the Public?

A. No complaints are received.

Q. 97. Did the Traffic Manager consult you before the change was effected?

Q. 98. Since this is a District Board Railway can such alteration be effected without consulting the Board and causing much inconvenience to the Public?

Q. 99. Is it not necessary to write to the Traffic Manager to restore the old timings alone?

Q. 100. Is it not desirable that the Traffic Manager should be informed that in future, before changes are effected, in the time-table he should take the opinion of the

District Board, as this is a District Board Railway?

A. Reply has not been received from the Railway Department.

Q. 101. Is the Board aware that in Hassan, Kolar, Bangalore and Chitaldrug Districts the Reserve Sanitary Inspectors have been given only two Taluks?

A. No.

Q. 102. Since they are given four Taluks each, in this District, are the works executed satisfactorily?

Q. 103. Is it possible to decrease the area under their charge and augment their strength by the appointment of two more Sanitary Inspectors so that the works may be done satisfactorily?

A. *Vide* Subject No. 312 of the Meeting Agenda.

Q. 104. Is it not necessary that they should be given some fixed allowance as in other Districts in proportion to the area under their charge, and a peon for each Sanitary Inspector?

A. *Vide* Subject No. 312 of the Meeting Agenda.

Q. 105. Is there any suggestion or consideration to transfer the control over these Sanitary Inspectors who are now under the direct charge of the President to the respective Revenue Sub-Division Officers?

A. *Vide* Subject No. 3 of Annexure 3.

Q. 106. Which are the villages that have paid in advance for the construction of School buildings in Chamrajnagar Taluk?

A. Seven. 1. Alur, 2. Arakalvadi, 3. Sagare, 4. Thammadihally, 5. Kulaga, 6. Keelagere, 7. Venkataiyanachatra.

Q. 113. Did the Executive Engineer, who prepared the sanctioned plan, prepared the same after inspecting the place?

A. No reply received.

Q. 114. Whether the estimate and plan were approved by the Chief Engineer in Mysore?

A. Yes.

Q. 115. To whom was the contract of the bridge construction given? When was the work commenced?

116. How many times were there floods in the river after the work was begun?

117. Was any damage done to the work by the floods?

118. If so, what is the reason?

119. What is the amount paid to the contractor till now? and is there any bill pending payment?

120. If any damage has been done to the work, what is the amount of loss incurred thereby?

121. Is only the damaged portion to be removed and built? or is the whole work under construction to be removed, new plans and estimates prepared and the work done accordingly?

122. Did the P. W. D. bring to the notice of the District Board the fact of the damage done to the work? If so, did the President or the Vice-President go to the spot immediately and inspect the work?

123. Is the President or the Vice-President aware that the floods carried timber, bamboos, etc., to the spot in question impending thereby the passage of of traffic on the road? If so, is it possible to put the road in order for the convenience of the travellers, until the bridge work is restored? What would be the cost for repairing the road?
